Weekly Planner

Description of the buttons/pages in the Weekly Planner

HOME - the home button in the upper-right corner brings you to the “cover” of the planner. This is helpful for quickly turning from any confidential page you might be open to.

CAL - the cal button in the lower-right corner jumps to the year-at-a-glance page of the planner. This is where you can jump to any particular week view of the planner.

NOTE - the NOTE button jumps to a section for free-form notes.

MONTHS - the month buttons jump to the monthly calendar view for that month. From here you can go directly to any week view for that month.

WEEKS - the weekly page views provide plenty of open space for free-form notes, diagrams, etc.
