#### Back in good hands: Yours.

Thank you for selecting AppleCare Service. To ensure the highest level of quality and reliability, Apple-authorized technicians perform all work, using genuine Apple parts.

#### You're covered.

Apple covered your repair as described in Repair Coverage Status on the left. There is no charge for the service that we performed. You may receive details of your repair, but no payment will be due.

#### Here's what we did

- ✓ We replaced the part(s) listed below\*.
- ✓ Your diagnosed and repaired product now passes all hardware testing.

Item Number	Description	Symptom
661-15412	Touch ID	No Power/light, Power Adapter OK
661-16811	Logic Board, 7C CPU, 8GB, 512GB	No Power/light, Power Adapter OK
923-03553	I/O Board	SD Card Issues

\* The replacement parts are new or equivalent to new. Any applicable cost is indicated in a separate invoice. We kept the parts we removed, as explained in our warranty, AppleCare products, and Repair Terms and Conditions.

Thank you from AppleCare Service!
