Trend-setting retailer Apple Inc. is listed as the tenant on city building permits that indicate the company will move into the space vacated by Eddie Bauer in downtown Spokane.

Permits filed by contractors to remodel the two-story site, at 710 W. Main, are on file online at [Spokane's building permit site](#). Apple is listed as the tenant.

The Cupertino, Calif.-based company has been advertising for retail workers on job site Monster.com, but Apple has refused to say whether or when it would open a retail store in Spokane.

The building permits list the location as River Park Square. Cowles Co., which owns The Spokesman-Review, also owns River Park Square.
