## Description of the buttons in the Weekly Planner

**HOME** - the house icon in the upper-left corner brings you to the “cover” of the planner. This is helpful for quickly turning from any confidential page you might be open to.

**CAL** - the calendar button in the lower-right corner jumps to the year-at-a-glance page of the planner. This is where you can jump to any particular week view of the planner.

**Months** - the month tabs jump to the monthly calendar for that month. From here you can go directly to any week view for that month.

### Helpful Notes

- The whitespace (blank areas) on pages are intended for stickers and personal notes
- The cover page can be heavily customized by overlaying your own images and text over the defaults.
